LOCATION, LOCATION

If you are looking for an outstanding property ready for you to move straight into then look no further. This three bedroom brick and tile home has a wonderful location with a stunning westerly aspect looking out over the northern ridge of Goonellabah.

All the bedrooms are a great size along with the living room. The dining area opens to the practical kitchen with electric oven and stove top, rangehood above and ample storage on both sides. The bathroom features a shower and separate bath with a small step for ease of access. The vanity below the mirror is new and gives a small glimpse of the possible renovation potential.

The home is raised providing a huge amount of space downstairs with two high separate garage doors, fully concrete floor with internal stair access. The driveway offers safe off-street parking and easy access to the garages.

This wonderful property has been a great home for many years and is now ready for its new owners to make it their own. With local shops, sporting fields, schools and other amenities all in close proximity it really is a great spot to live or potentially use as an investment.
